

Government

We assist senior decision makers in government with the challenges of seeking to maximise performance and efficiency while delivering high quality public services.

EISNERAMPER

IRELAND

Why us

We are specialist accountants with a niche-focus on three markets; **Financial Services**, **International Trade** and **Government**. Our focus on these markets, combined with our multidisciplinary and diverse team is what makes us unique.

We provide **audit, risk & regulatory**, and **advisory** services to **government departments**, **regulatory authorities**, **public sector bodies** and **state agencies**.

At EisnerAmper, we design business and compliance solutions to make trade happen. This is what we do everyday.

Specialist services

AUDIT

- Risk-based audit approach provides required assurance and value added insight into the internal control environment
- Market leading audit methodology and software

ASSURANCE & NON-ASSURANCE SERVICES

- Internal Audit
- Skilled Persons Reports
- Outsourced inspections & assurance engagements

RISK & REGULATORY

- Providing services across the regulatory lifecycle from developing policies & procedures and establishing operational structures through to implementing supervisory & quality assurance objectives

REVIEW & REPORT

- Sourcing, reviewing, evaluating and reporting upon large scale, complex and sensitive financial data under right timeframes

DUE DILIGENCE

- Independently assessing the risks and opportunities of potential transactions by undertaking comprehensive financial and tax due diligence

Case studies

Central Bank of Ireland

Advising the Central Bank of Ireland, as part of our membership of 4 separate advisory panels, on the development and execution of plans relating to the economic crisis and the restructure of the credit union sector; from investigations, training, strategy and policy development, to due diligence and M&A execution.

Department of Finance

Appointed to a panel, in conjunction with EisnerAmper US, to advise the Department of Finance on financial matters such as the restructuring and disposal of the State's banking sector investments.

Office of Government Procurement

Providing audit, accounting, financial and economic services to government departments and public service bodies in the health, education, local government and defence sectors as part of our membership of 5 separate advisory panels with the Office of Government Procurement.

National Asset Management Agency

Advising the National Asset Management Agency, as part of our membership of 2 separate panels, on the acquisition, management and disposal of property and/or debt with a value >€5bn; from multiple large scale highly complex business plan reviews to financial monitoring engagements.
