

International Business

Helping companies do business in Europe,
using Ireland as a base, is what we do every
day

Why us

We are specialist accountants with a niche-focus on three markets; **Financial Services**, **International Trade** and **Government**. Our focus on these markets, combined with our multidisciplinary and diverse team is what makes us unique.

Operating at the core of Ireland's FDI community; we have helped **over 200 international companies** establish operations in Ireland to serve **local, European and international** markets.

At EisnerAmper, we design business and compliance solutions to make trade happen. This is what we do everyday.

Case studies

Online retail

- Supporting a Canadian online retail platform to plan and execute its international strategy by working with its existing advisors and management team to establish a base in Ireland.
- Continuing to support its growth and expansion through partner led advice and by providing a fully outsourced European finance function in Ireland.

Aircraft leasing

- Assisting one of Ireland's largest aircraft leasing groups which owns fifteen aircraft leasing entities with corporation tax compliance services.
- Also advising on the trading status in respect of aircraft leasing entities that are located in Ireland.

eLearning

- Working alongside the global CFO of one of the world's largest online education platforms to help the business grow in Ireland from a standing start to a thriving business supporting the US with European sales and technical support.
- Continuing to assist the company to scale and implement a new global accounting package in Ireland.

Private Equity

- Working for many years with the principals behind a Singapore private equity firm, investing in Ireland through a fund structure.
- Providing monthly outsourcing, payroll & VAT compliance and preparation of statutory financial statements as well as corporation tax compliance to the fund and underlying trading entities.
