Proud partners of LauraLynn Children's Hospice

Corporate Social Responsibility (CSR) is integral to how we do business and manage interactions, not just with our employees and clients but also our wider community and society as a whole. As a professional services Firm, demonstrating ethical high performance in all aspects of our work and how we run our Firm is fundamental to our success.

EisnerAmper was proud to announce our Corporate Partnership with LauraLynn Children's Hospice for a second year running in 2021. EisnerAmper Ireland partnered with LauraLynn, helping them to support children with life-limiting conditions to live as fulfilling lives as possible and receive the very best care at the end of life.
