For example, I have worked in the following tax areas; Corporation Tax, VAT, Income Tax, Capital Acquisitions Tax, Tax Registrations, etc. The valuable experience I have gained since joining the firm along with study support provided, played a vital role in me passing my CAP2 exams in August of this year. It is also a pleasure to work alongside my colleagues in the tax department who have acted as my mentors, helping me to learn and grow in my path to becoming a professional tax advisor.”
